CONNECTING AND CONVERTIBLE SUITES

INNOVATIVE WALL SYSTEM

Flexible configuration options allow connecting suites to expand to satisfy the needs of families to appeal to meeting planners seeking to provide similar accommodations for their top performers.

The opening measures 7.2 feet wide by 7.2 feet high (2.2 meters wide by 2.2 meters high).

CONNECTING SUITES

Of the 149 suites on board, the connecting suites total 43 single-suite configurations. If all connecting suites are utilized as single-suite configurations, inventory reduces to 106 suites.

Select Terrace Suites (18 total) are convertible suites that can be configured as an extended living and dining area or remain a second bedroom when connected to the adjacent suite.

Three (3) combinations of suite categories are available for connecting suites:
