A MESSAGE FROM OUR CEO

Dear Valued Guest,

I wanted to personally reach out to you following the call you received from your Reservation Services Agent today.

Like many in manufacturing, we have experienced significant impact from Covid-19 variants as it relates to labor and supply chain disruptions. As a result, we have had to reevaluate the timing of our first voyage on our inaugural yacht, *Evrima*, which will now set sail in the Mediterranean on August 6, 2022. We understand how this decision affects your travel plans and sincerely apologize for the inconvenience this change will cause.

I'm pleased to report that we are now experiencing a much-improved production schedule and continue to make significant progress on *Evrima*. Our captains, engineers, hotel leadership and their teams are hard at work in the shipyard and it's our plan to share updates and imagery with you as we approach our inaugural voyage.

Despite these challenging times, I would like to take this opportunity to thank you for being part of our journey. We look forward to welcoming you on board soon.

Kind Regards,

Douglas Prothero
