Pre-Existing Medical Conditions Coverage & Exclusions

A pre-existing medical condition is an injury, illness or medical condition that exhibited symptoms or was treated on, or within the 120 days prior to, the purchase date of your plan. This plan waives the exclusion for pre-existing medical conditions if the following conditions are met: A) Your policy was purchased on or before final trip payment; B) You were a U.S. resident when the policy was purchased; C) You were medically able to travel when the policy was purchased; and D) On the policy purchase date, you insured the full non-refundable cost of your trip with us. This includes trip arrangements that will become non-refundable or subject to cancellation penalties between the policy purchase date and the departure date.

Maximum coverage for pre-existing medical conditions is limited to the trip cancellation or trip interruption coverage limit (as applicable), not to exceed \$50,000.

If you incur additional non-refundable trip expenses after you purchase this policy, you must insure them within 14 days of their purchase. If you do not, those expenses will still be subject to the pre-existing medical condition exclusion.

Please be Advised: This plan contains insurance benefits (which may include disability and/or health insurance benefits) that only apply during the covered trip. This optional coverage may duplicate coverage already provided by your personal auto, home, renter's, health, life, personal liability, or other insurance policy or source of coverage but may be subject to different restrictions. You should review the terms of this policy with your existing coverage. If you have any questions about your current coverage, call your insurer/health plan or insurance agent/broker. This insurance is not required to purchase any other products/services. Unless licensed, travel retailers and their employees may provide general information about the insurance, including a description of coverage and price, but are not qualified/authorized to answer technical questions about terms, benefits, exclusions, and conditions of the insurance or evaluate the adequacy of existing coverage. Plans are intended for U.S. residents only and may not be available in all jurisdictions.

New York Residents: The licensed producer represents the insurer for purposes of the sale. Compensation paid to the producer may depend on the policy selected, or the producer's expenses, volume of business, or profitability. The purchaser may request and obtain information about the producer's compensation, except as otherwise provided by law.
